RE: Heavy Equipment - purchase of heavy trucks and heavy equipment

Fiscal Amount not to Exceed: \$ 104,082.00

Vendor # 523658

#### Purpose (How does it align with City NMB Strategic Plan?):

In keeping with City NMB's Strategic Plan Mission of providing a safe environment for residents and visitors to the City, and being fiscally responsible, a request is being made to award a Purchase Order to Xylem Dewatering Solutions. These funds will ensure NMB Water is able to respond to wastewater emergency situations resulting from equipment failure or severe weather/natural disaster

#### Background:

The NMB Water collections system is made up of over 100 wastewater pump stations which operate 24 hours a day, 365 days of the year. Having the ability to continue operations without disruption during emergency operations, resulting from equipment failure or severe weather/natural disaster, is a must, and an absolute necessity

#### Recommendation:

I recommend the award of a purchase order to Xylem Dewatering Solutions, as the equipment the funds will supply is vital for our NMB Water operation during emergency operations.

#### Fiscal Impact / Account Number(s):

410 900 - 410 909

#### Contact Person(s):

Diego Cortes NMB Water Maintenance Manager

City Manager: (Purchases/Contracts up to \$50,000.00)	_____	6/2/21

Purchases/Contracts exceeding \$50,000.00 will be placed on the next Commission Agenda pending Procurement review

#### 3-4.3 Use of Other Governmental Entities' Contracts

Subject to the spending limitations in Section 3-3.14 and upon a determination that the supplies, materials, equipment or contractual services needed by the City are comparable to solicitation procedures substantially equivalent to the requirements of the North Miami Beach Purchasing Code, the Purchasing Agent may procure, without following formal contract procedure, all supplies, materials, equipment and contractual services which are the subject of contracts with the State of Florida, its political subdivisions, the United States government, other governmental entities, or a corporation not for profit whose members are governmental entities, public officers, or any combination thereof; provided, however, that this section shall apply only if (i) the supplies, materials, equipment or contractual services are the subject of a price schedule negotiated by the State of Florida or the United States government, or (ii) the supplies, materials, equipment or contractual services are the subject of a contract with another governmental entity or a corporation not for profit whose members are governmental entities, public officers, or any combination thereof, which contract is based strictly on competitive bids or competitive proposals and not on any preference.

**RE: CD150S-CS - FSA**  
**Sale Quotation 145007552**

Dear Diego:

Thank you for your interest in Xylem Dewatering Solutions, Inc and our Godwin Pumps line of Dri-Prime pumps.

As requested, please see the attached sale pricing for our CD150S Critically Silenced Diesel Pump with trailer.

The CD150S is member of the Godwin S Series of Smart pumps, equipped with a new generation of Field Smart Technology (FST) for remote monitoring and control (requires monthly charge). In addition to improved hydraulic efficiency, greater fuel economy, and streamlined serviceability.

The Critically Silenced unit is engineered from start to finish for quiet operation. The enclosure consists of 14 gauge sheet metal lined with 1" and 2" layers of polydamp acoustical sound deadening material. The engine is designed with a critical grade silenced muffler, silenced the priming exhaust, and isolated engine vibration to further reduce operating noise. Hinged, lockable doors provide convenient access to operating controls and service locations. Sound levels are approximately 69 dBA at 30 feet.

The pricing is based on the Florida Sheriff's Contract #FSA20-EQU18.0, Item #272. There are no delivery / freight charges when utilizing the FSA Contract.

Should you require further information or have any questions, please do not hesitate to contact me.

Sincerely,

Zachary Groner  
Outside Sales Representative

Re: Contract Number FSA20-EQU18.0 Heavy Equipment

We are pleased to announce that the Florida Sheriffs Association has successfully completed its 18th cooperative competitive bid for heavy trucks. This contract is in effect beginning October 1, 2020 through September 30, 2023.

This year's bid award included 404 specifications and makes and models for heavy trucks.

The competitive process for this award began in April 2020, when stakeholders were surveyed regarding procurement needs. Specifications were developed based on prior year activity and new additions were added based on survey results and the Fleet Advisory Committee's review of products.

An advertisement of the Invitation to Bid was placed within the FSA website and Florida Administrative Weekly on April 22, 2020. On June 2, 2020, a direct notification was sent to 511 prospective bidders to register for qualification to participate in the bid process for heavy trucks and heavy equipment. From this ITB, 206 bidders responded to the pre-bid meeting registration or request for qualified waiver for FSA approval. Of these respondents, 84 submitted bids and 79 qualified, responsive bidders were awarded after a review by the FSA and the FSA Fleet Advisory Committee.

The Florida Sheriffs Association Cooperative Purchasing Program has followed the Contract Terms and Conditions to procure this contract.

Contract prices are extended and guaranteed to any local government or political subdivision of the state, public educational institutions, other public agencies or authorities with the State of Florida, and other entities approved by the manufacturer to participate in this contract.

Out of state sales are permitted under this contract. All purchasers are bound by their local governing purchasing ordinances, rules and regulations. All awarded vendors are governed by their manufacturer agreements and the Contract Terms and Conditions.

List of Awarded Vendors in Alphabetical Order for FSA20-VEH18.0 Heavy Equipment:

1. ACF Standby Systems, LLC
