6. Public/Citizen Comments

David Templar, 3260 NE 164th Street, 6:59pm

- Expressed his concerned with the height of the building because he believed that it would be overshadowed by the building for 1/3 of the year. Mr. Templar stated that the building had a lack on consistency and congruency with the other surrounding properties.
- Requested that a privacy wall be installed and requested that the applicant considered no docking at all.

Diane Frazier, President of Eastern Shores Property Association, 7:10pm

- Concerned with residents not being informed about the site plan proposal.

Troy Garcia

- Concerned about he proposed deck and its usage. Believed that the installment of the deck would promote illegal parking of boats.

Robert Urra

- Concerned with the height of the proposed building. Concerned that the overshadowing of the building would affect his solar panel usage.

Marteen Longo, 3030 NE 164th Street

- Questioned the installation of the new dock and how it may promote illegal docking.

Public Comment Closed at 7:17pm

City of North Miami Beach, Florida

Community Development Department
