Subject: 2022 Roadway Designation: Anthony Reznik Boulevard

Dear Mr. Sorey:

The Florida Department of Transportation (FDOT) is requesting the City of North Miami Beach Commission adopt a resolution to designate/rename a section of the state highway system. The Florida State Legislature recently passed Senate Bill 160 which included a roadway designation within your jurisdiction. Attached is a copy of Senate Bill 160 that includes the roadway, limits and new roadway name, as shown below.

Designation	SB 160 Limits	Jurisdiction	Limits within North Miami Beach
Anthony Reznik Boulevard	S.R. 826/Sunny Isles Boulevard between NE 35 th Avenue and S.R. A1A	City of North Miami Beach	S.R. 826/Sunny Isles Boulevard from NE 35 th Avenue to the Intracoastal Waterway (North Side)

It is the responsibility of the FDOT to order and install the signs for the newly designated roadway. According to the State of Florida Legislature, Section 334.071, Florida Statutes, (F.S.), FDOT may not erect the markers for honorary road or bridge designations unless the affected city commissions enact a resolution supporting the designation.

After the resolution has been adopted, the city can mail or e-mail it to:

Upon receipt of the adopted resolution, the FDOT will initiate fabrication of the signs. The fabrication process typically takes eight weeks. During this timeframe, FDOT's Public Outreach and Media Specialist, Tish Burgher, will coordinate the sign installation ceremony, as needed, with your office.

Thank you for your assistance with coordinating this important effort. If you have any questions, please contact Mr. Lameck at 305-470-5227.

Sincerely,

DocuSigned by:
