

Interlocal Agreement Between  
Miami-Dade County and City of North Miami Beach  
For the Provision of Circulator Services

This is an Interlocal Agreement, made and entered into by and between Miami-Dade County, a political subdivision of the State of Florida, hereinafter referred to as "the County" and North Miami Beach, a municipal corporation of the State of Florida, hereinafter referred to as "the Municipality".

WITNESSETH:

WHEREAS, the Municipality wishes to enhance local mobility through the provision of locally operated fixed-route public transportation services; and

WHEREAS, these services provide the Municipality with an opportunity to match the local travel needs of the residents while improving first and last mile connectivity; and

WHEREAS, the provision of these services can help minimize the need for specialized transportation services by the County; and

WHEREAS, the proposed fixed-route service will complement the existing Miami-Dade Department of Transportation and Public Works (D.T.P.W.) bus routes and help increase the use of these regional services; and

WHEREAS, the Municipality has sponsored and is willing to provide an alternative form of supplemental public transportation throughout the Municipality and has secured and obligated the necessary funds to provide;

NOW THEREFORE,

IN CONSIDERATION of the mutual terms, conditions, promises, covenants and payments hereinafter set forth, the County and the Municipality agree as follows:

### GENERAL REQUIREMENTS

- 2.1 Compliance with Applicable Laws and Regulations. The Municipality and its contractors, if any, shall comply with all existing and future laws, statutes, ordinances, codes, rules, regulations and procedural requirements, whether federal, state, or local, which are applicable to or in any manner affect, the provision of the Circulator service. The Municipality shall be responsible for requiring compliance of its employees, contractors, and agents with all applicable county, state and federal requirements, including, but not limited to, all safety, mechanical, and vehicular standards mandated by D.T.P.W./P.T.R.D. The Municipality shall be responsible for obtaining copies of the appropriate laws, regulations, ordinances, and documents and complying therewith.
- 2.2 The County Regulatory Requirements. Prior to the commencement of the Circulator service under this Agreement, the Municipality and/or its contractors, if any, shall have current and valid certificates of transportation, permits, and chauffeur registrations as required by Chapter 31 of the County Code. The Municipality and its contractors shall maintain such certificates, registrations and permits current during the Period of this Agreement. In no event shall the Municipality or any of its contractors provide any transportation services contemplated by this Agreement until any and all County regulatory requirements are satisfied.
- 2.3 Vehicle Licensing. All vehicles utilized to provide Circulator service shall at all times be properly licensed and permitted in accordance with applicable federal, state and county requirements. Vehicle operators shall comply with all safety, mechanical and vehicular standards mandated by any applicable county, state and federal requirements including, but not limited to, all safety, mechanical and vehicular standards mandated by D.T.P.W./P.T.R.D.
- 2.4 Vehicle Standards. Vehicles shall comply with all of the Requirements contained in Chapter 30 and 31 of the Code of Miami-Dade County, pertinent state statutes and other directives as may be prescribed and required by D.T.P.W./P.T.R.D. All vehicles utilized to provide transportation services authorized by this Agreement shall at all times display a current and valid county permit and shall comply with safety, mechanical and vehicular requirements mandated by applicable county, state or federal requirements, including A.D.A.
- 2.5 Chauffeur Requirements. Vehicle chauffeurs shall at all times have a current and valid county chauffeur’s registration, vehicle chauffeurs shall also comply with any safety,

mechanical and vehicle standards mandated by applicable county, state and federal requirements and as may be prescribed and required by D.T.P.W./P.T.R.D.

- 2.6 Proof of Compliance Prior to Operation. The Municipality and/or its contractors, if any shall provide the County with proof of compliance with licensure, insurance and any other requirements mandated by the County Code, state statute or federal law prior to commencement of the Circulator service.
- 2.7 Purchase of Services/Sole Responsibility. The parties concur that this Agreement is a contract for the provision of Circulator service provided by the Municipality for the benefit of residents of the Municipality and of the County. Municipality employees, agents and contractors providing Circulator services shall be considered to be, at all times, solely employees, agents or contractors of the Municipality under its sole direction and not employees, agents or contractors of the County.
- 2.8 Compliance with A.D.A. The Municipality's Circulator service shall comply with all applicable requirements of the A.D.A. The Municipality and the County recognize their joint obligation to provide S.T.S. in the area served by the Municipality's Circulator service. In fulfillment of the Municipality's obligation, the Municipality hereby allows the County to provide S.T.S. service at no cost to the Municipality. To the extent that any terms in the Agreement are in conflict with A.D.A., the requirements of the A.D.A. shall control.
- 2.9 Compliance with Procurement Requirements. The Municipality agrees to comply with applicable federal and state procurement requirements, as may be amended from time to time, when entering into contracts with third parties to fulfill the obligations under this Agreement.
- 2.10 County's Right to Submit Proposals and Bids. The County shall be notified and given the opportunity to bid upon any Requests for Proposals (R.F.P.), Requests for Qualifications (R.F.Q.), or requests for bids issued by the Municipality for provision of services pursuant to this Agreement.
- 2.11 Drug-free Workplace and Testing. In accordance with the County Code, the Municipality shall certify that it will have drug-free workplace program. Further, the Municipality shall require pre-employment drug testing and other periodic drug testing for all persons holding safety-sensitive positions, as defined by U.S. D.O.T., related to transit operation. Effective upon execution of the Agreement, the Municipality shall require that its employees or contractor if applicable, comply with all applicable requirements of the U.S. D.O.T. regulations for drug and alcohol testing. To the extent that any terms in this Agreement are inconsistent with the U.S. D.O.T. regulation, the requirements of the U.S. D.O.T. shall control.
- 2.12 Municipality Representative. The Municipality shall designate individual(s) to act as liaison to the County and notify the County thereof. The Municipality shall promptly notify the County of any changes.
- 2.13 County Representative. The County shall designate individual(s) to act as liaison to the Municipality and notify the Municipality thereof. The County shall promptly notify the Municipality of any changes.

2.14 Amendments or modifications. Unless provided otherwise elsewhere in this Agreement, amendments and modifications to this Agreement must be in writing and shall require the signatures of the County Mayor or designee and the Mayor of the Municipality, or their designees, subject to authorization by their respective Boards. Notwithstanding the foregoing, amendments to this Agreement regarding alignments, schedules, and fares, as described in Section 2-150 (c) of the County Code, may be approved by the County Mayor or designee and the Municipality Manager or their designees.

## ARTICLE 3

### CIRCULATOR SERVICE

- 3.1 Provision of Circulator Services. The Municipality shall provide Circulator service as contained in Exhibits 1 and 2 attached herein. Such service plan must be subject to public input and approval by D.T.P.W. prior to implementation. Public notices shall comply with Title VI requirements, per Section 8.3 of this Agreement.

In addition, the Municipality must notify the County under the following circumstances:

- 1) Prior to raising fares;
  - 2) If the Municipality decides to site or locate a vehicle storage facility, maintenance facility or operations center which requires land acquisition or the displacement of persons from their residences and businesses for which a National Environmental Policy Act (NEPA) process has not been completed (NOTE: A facility does not include bus shelters, transit stations or power substations);
  - 3) Prior to the submission of the Municipality's Title VI Plan, the Public Participation Plan must be reviewed and approved by the County's Office of Civil Rights and Labor Relations for the D.T.P.W. The plan must include an outreach plan to engage the Municipality's pre-determine traditionally underserved community; or
  - 4) Prior to conducting either an Environmental Assessment (E.A.) or an Environmental Impact Statement (E.I.S.) for new projects.
- 3.2 Fares. The Municipality shall operate the Circulator service charging a fare in accordance with public transit fares established by the Municipality's legislative board, as may be modified from time to time. Initially no fare shall be collected until such a time as the Municipality's legislative board enacts an Ordinance with an alternative fare structure.

If an alternate fare structure is enacted, the Municipality shall accept all D.T.P.W. passes, transfers, or identification entitling a passenger to ride a vehicle without paying any additional fare. Qualified passengers shall pay no fare. D.T.P.W. Easy Cards and Tickets, or identification entitling a passenger shall be accepted to enable passengers to ride the Circulator service without paying an additional fare.

- 3.3 Connection and Coordination with County Bus Routes. All Municipality Circulator services shall be designed to feed the regional transit service in the most efficient manner possible.
- 3.4 Operation of Routes in Their Entirety. The Municipality shall be responsible for ensuring that Circulator service is operated in its entirety with no deviation from the approved routes and schedules unless otherwise authorized by the County.
- 3.5 Circulator Service Information. The County shall provide information on the Municipality's Circulator service through D.T.P.W.'s routine and customary public information dissemination processes, including its transit information telephone service, and transit website.

- 3.6 Issuance of Circulator Schedules. The County shall make available to its Metrobus, Metrorail and Metromover passengers map and schedules provided by the Municipality to D.T.P.W.
- 3.7 Route Modifications. Before any major service change, including the development of new routes or route alignment changes greater than 25% (based on existing route alignment), the Municipality shall perform a technical analysis of proposed route alignments and schedules of the Circulator service. The proposed service shall not begin operation without first obtaining successful review and approval of D.T.P.W., Service Planning and Scheduling Division. The Municipality shall follow D.T.P.W.'s Procedures for Establishing Municipal Circulator Routes.

From time to time, the County may make significant adjustments to alignment of regional bus routes in order to improve service. In the event that these improvements result in combined (County bus service plus Municipality Circulator service) frequency of 29 minutes or less as defined in Chapter 31-102 of the County Code, the Municipality shall adhere to the route modification process establish herein.

- 3.8 Use of Logo. The Municipality may wish to design a logo uniquely identifying its Circulator service. If they do so, such logo shall at all times be displayed on the exterior of all vehicles in operation pursuant to this Agreement. The County shall allow the display of the Circulator logo on the County's bus stop signs at all stops common to the Municipality and the County bus routes does not interfere with previously placed signage and is done in coordination with D.T.P.W. staff. The Municipality shall be responsible for placing the logo on the pertinent signs.
- 3.9 Bus Stop Signs and Signposts. The Municipality may provide, install, and maintain bus stop signs and signposts at stops along the Municipality's Circulator routes. In the event that the Municipality, its contractor, licensee, permittee, or assignee installs sign facilities that can accommodate Metrobus bus stop information, the County may elect to utilize the Municipality's sign facility to display Metrobus bus stop information. If such election is made, D.T.P.W. shall provide to the Municipality the materials to be displayed on the bus stop sign facility, in the size and format to be specified by the Municipality and the Municipality will remove the County's signs and return the signs to the County. The Municipality shall be responsible for installing the Metrobus stop information in/on the bus stop sign facility.
- 3.10 A.D.A. at Bus Stops. The Municipality agrees that it will be the responsibility of the Municipality to comply with all A.D.A. standards and regulations with regards to accessibility to and from bus passenger stops and bus shelters which the Municipality installs.
- 3.11 Bus Stops and Bus Bays or Pull-outs. The Municipality shall, at its sole option, provide, install and maintain bus stop sites, including bus bays or pull-outs at bus stops along the Municipality's Circulator routes, provided that any proposed bus bays or pull-outs shall be first reviewed and approved by the County or State, as appropriate. Notwithstanding the forgoing, the Municipality shall be responsible for identifying Municipality owned right-of-way for the layover of vehicles to be used in connection to its Circulator service.

Should the Municipality decide to operate its Circulator service with vehicles that require the deployment of exterior lifts, the County may require the Municipality to designate and build bus bays in order to minimize impact to vehicular traffic.

- 3.12 Non-Interference and Non-Disturbance. The County and the Municipality hereby mutually agree not to interfere with or unreasonably impede the free flow of pedestrian movement or of each other's public transit vehicular traffic or passengers accessing or egressing County Metrobus or Municipality Circulator in-service vehicles.
- 3.13 Miscellaneous. The Municipality or Municipality's Contractor shall provide adequate customer service training to its employees. Drivers, dispatchers and supervisors shall be subject to a training program inclusive of the recommended practices established by the American Public Transportation Association (A.P.T.A.) in documents BTS-BO-RP-001-07 and BTS-BO-RP 0002-07 (copies have been previously been provided to the Municipality).

## ARTICLE 7

### FINANCIAL ASSISTANCE

- 7.1 Grant Matching Funds. The Municipality may, at its sole option, provide grant-matching funds for state and/or federal grants for capital or operating funds to be used for the Transportation Services. The County, upon agreement with the Municipality, may, but shall not be required to, provide all or part of cash or other types of matches required for state and federal grants which may be received by the Municipality for the Circulator service, or for expansion of the Circulator service, in future years.
- 7.2 Bus Shelters and Benches. The Municipality shall at its own cost maintain all shelters, benches, and all other bus stop furnishings within the Municipality.
- 7.3 In the event the County seeks federal or state funds and a condition of receipt of said funds is the provision of operating statistics for the National Transit Database, County may require Municipality to maintain and provide the necessary data. Municipality's Share of supplemental Federal Funding. Beginning with the first year in which the Circulator service's operating statistics are reflected in the National Transit Database, where those operating statistics result in new or supplemental funds are solely attributable to the Circulator service's properly reported operations, the County agrees to pay the Municipality its attributable share of federal formula funds received from US DOT no less than sixty(60) days after funding is received from the federal government, less any direct grants received by the Municipality from the County for the Circulator service, provided that the funds remitted to the Municipality herein shall be used for the expansion, enhancement or maintenance of the Circulator service program.

As used herein, the Municipality's attributable share shall be one half of the amount equivalent to those Supplemental Urbanized Area Formula Funds, as described in 49 U.S.C, Section 5307, as may be amended from time to time, that the County received as a direct result of Circulator service provided by the Municipality pursuant to this Agreement and as included in the National Transit Database. Said attributable share shall be calculated utilizing the following formula:

Multiply by .5 the Municipality's properly reported annualized Bus Revenue Vehicle Miles statistic that was used in the apportioned federal programs for a fiscal year "Unit Value for Bus Vehicle Miles for Urbanized Areas over 1,000,000" as reported in the table of Unit Values for Formula Grant Apportionments, published annually in the Federal Register.

NOTE: Historically, apportioned funds are allocated to the County two (2) years after Bus Revenue Vehicle Miles are reported to federal government.

- 7.4 Municipality's Share of Supplemental State Funding. In the event that the Circulator service operations contribute to an increase in the County's State transportation funding, beginning with the first year in which service is reflected in State's reporting system, the County agrees to pay the Municipality its attributable share (one half of the supplemental funding), as defined in paragraph 7.3 above, of new or supplemental state Transportation Block Grant funding received by the County from FDOT no less than sixty (60) days after funding is received from the State less any direct grants received by the Municipality from the County for the Circulator service. The State funding formula can be found at Section 341.052(6), F.S.
- 7.5 Comparable Agreements. In the event that the County enters into an Interlocal Agreement with any other municipality for Circulator services which are comparable to the services provided herein, County may agree to amend this Agreement, if requested by the Municipality, to provide substantially equivalent favorable terms to the Municipality as those provided in such other County/ Municipality Interlocal Agreements.

## ARTICLE 8

### TERMS, MODIFICATIONS AND MISCELLANEOUS PROVISIONS

- 8.1 Terms of Agreement. This Agreement shall commence upon approval of the County's Board of County Commissioners and the Municipality's legislative board and the execution by the County Mayor or designee and Mayor of the Municipality or designee and shall remain in force for five years thereafter. This Agreement is subject to two five-year automatic option to renew under the same contract terms and conditions, all parties have the right to terminate (see 8.4 and 8.5).
- 8.2 Renegotiation or Modification. Any substantive changes in the level of service to be provided by the Municipality as set forth herein shall only be implemented after the County and the Municipality have entered into a written agreement describing the changed services, and the provisions of the County Code have been exercised.
- 8.3 Title VI and VII Civil Rights Act of 1964. The Municipality and its Contractors shall not discriminate against any person because of race, color, sex, religious background, ancestry or national origin in the performance of the Agreement. The Municipality and its Contractor agree to comply with any portion of the Title VI and VII of the Civil Rights Act of 1964 applicable to the operation of this route.

The Municipality shall guarantee adequate public engagement prior to establishing a new or modifying an existing Municipality Circulator service. The following steps must be performed: 1) Advertise a notice of public hearing in English and Spanish; and 2) Conduct a minimum of one public hearing that gives the community an opportunity to voice their opinion concerning the proposed service. The Municipality shall provide to the County proof of newspaper Ad, and meeting minutes or adopted resolution.

- 8.35 Americans with Disabilities Act (A.D.A.) Title II of 1990.
