PROFESSIONAL SUMMARY

Master's-Level Clinical Leader & Program Director Dedicated Mental Health Professional with a Dual Specialization in Marriage & Family Therapy and Mental Health Counseling. Over 15 years of experience in clinical intervention, program development, and trauma-informed care. Bilingual in Haitian Creole, French, and English, with deep expertise in serving elders, youth and families within the juvenile justice and child welfare systems.

Key Strengths:

Clinical Acumen: Registered Mental Health Counselor Intern (#IMH8880) and Registered Marriage and Family Therapist Intern (#IMT3670). Proficient in various behavioral therapies including Cognitive Behavioral Techniques (CBT), Motivational Interviewing, Motivational Enhancement Therapy, Multidimensional Family Therapy, and Trauma-Informed Care models to treat complex trauma and substance abuse in high-risk youth/adult populations.

Comprehensive Case Management: Expert in coordinating care and services for diverse populations (children, adults, geriatric), developing and evaluating member-specific care plans, conducting thorough assessments, and providing patient education. Directed treatment planning to develop Person-Centered Care Plans.

Long-Term Care Expertise: Certified 701B/T Long-Term Care Coordinator with in-depth knowledge of LTC processes.

Patient & Community Advocacy: Facilitates crucial connections to essential services (healthcare, housing, employment, legal aid) and fosters community engagement to combat isolation and promote belonging.

Technical Proficiency: Skilled in MS Office 365, Google products, PC Navigation, and TruCare. CPR certified and knowledgeable in HIPAA regulations.

PROFESSIONAL EXPERIENCE

A.Clacema Services, LLC | Miami, FL

Strategic Healthcare & Mental Health Consultant | Feb 2021 – Present

Provide high-level consultancy on the launch and scaling of mental health programs, ensuring alignment with evidence-based practices and patient-centered care.

Advise healthcare faculty and clinical staff on optimizing service delivery, enhancing operational workflows, and improving patient health outcomes through data-driven strategies.

Clinical Quality Assurance: Lead the development of effective clinical practices, ensuring that interventions meet rigorous standards for behavioral health and trauma-informed care.

Support organizational leadership in navigating complex regulatory environments and implementing multidimensional service models.

Sunshine Health/Centene Corporation | Ft. Lauderdale, FL

LTC Service Care Manager | June 2022 – June 2025

Directed comprehensive care coordination for a high-acuity caseload, optimizing the utilization of home and community-based services through evidence-based assessment.

Led Integrated Care Teams (ICT) including PCPs, specialists, and family members to develop and execute Person-Centered Care Plans (PCCP). Engaged members and their families to coordinate programs and activities addressing their social and emotional needs which include ADLs & IADLs. Established member-driven care management objectives.

Managed meticulous documentation and state-mandated reporting, ensuring all assessments were completed within strict regulatory timeframes, leveraging expertise to identify optimal care options, benefits, and community resources for members.

Provided critical support and intervention, helping members understand the implications of their medical or mental conditions, including comprehensive discharge planning. Maintained consistent communication with Home Health Agencies and other service providers to monitor members' health and progress.

The Village South – WestCare Foundation | Miami, FL

Clinical Lead & Intake Coordinator | March 2011 – June 2022

Served as the primary Liaison between Juvenile Services, the Department of Probation, and the State Court System; coordinated multi-agency care for youth facing truancy, substance abuse, and behavioral challenges.

Provided structured guidance and reflective oversight to junior staff and interns to ensure treatment fidelity and high-quality clinical documentation in compliance with Medicaid and Joint Commission standards.

Directed individual and family therapy sessions using CBT, TF-CBT, and Multidimensional Family Therapy for high-risk adolescents and adults.

Managed complex intake processes utilizing standardized outcome tools as Data-Driven Assessment: (DLA-20, ACE, PLC-5, SMQ-R) to track client progress, inform treatment planning, and report program performance metrics.

Delivered all clinical services and family interventions in English and Haitian Creole, ensuring deep engagement and trust-building within the multicultural community.

As an advocate, Designed and implemented Wellness and Recovery Plans, identifying community barriers and mobilizing social/legal resources to stabilize families in crisis.

Provided individual and family therapy sessions for adolescents and adults with substance abuse and mental health disorders. Completes intake assessments and drug testing for new clients.

American Psychological Alliance & Biscayne Milieu | Miami, FL

Therapist/Case Manager/Group Facilitator | August 2009 – March 2011

Managed 10-18 cases, primarily serving adults and geriatric populations.

Provided individual, couple, family, and group therapy to former addicts, addressing emotional and mental disorders to

promote mental health.

Co-facilitated recovery groups (e.g., 12 Steps, Narcotics/Alcohol Anonymous).

Performed treatment planning, documented progress notes, and completed biopsychosocial assessments.

Coordinated care management for members utilizing home or community services and adult day care.

Educated clients on and coordinated community resources with an emphasis on medical, behavioral, and social services.

Applied care management standards, maintaining HIPAA compliance and confidentiality of protected health information.
