Subject: Fiscal Year 2020-21 Library Services and Technology Act Grant Awards

Dear Ms. Hernandez: *Edenia*

The Division of Library and Information Services has determined grant awards under the Library Services and Technology Act (LSTA) for fiscal year 2020-21. I am pleased to advise you that your project, Mobile Library, 20-LSTA-B-14, was funded at \$87,000. I am also pleased to advise you that the required match, if applicable, has been reduced from 33% to 20% of the funded amount.

The Division will send you the Notification of Grant Award shortly. If there are any changes in funding amounts, budgets or activities in comparison to the original application, a Change Request for the project must be completed and submitted before the grant agreement can be completed.

As a reminder, grant and matching funds can now be obligated or expended any time during the grant period, July 1, 2020 – September 30, 2021, but no payments can be requested until the grant agreements are signed by all parties.

In addition, the Division will be providing some training regarding new grant administration requirements in early September. Additional information will be provided soon.

If you have questions, please contact David Beach at david.beach@dos.myflorida.com or 850.245.6630.

Sincerely,

A handwritten signature in blue ink that reads "Amy L. Johnson".
