Re: Dezer Intracoastal Mall LLC (the “Applicant”) – Second Reading of the Development Agreement and Conceptual Master Plan for the Redevelopment of the “Intracoastal Mall” – Courtesy Notice of Public Hearing on November 10, 2020

Dear Mr. Proffitt:

Please let this correspondence serve as a most polite but clear statement that the Applicant in the above-referenced project is not prepared to proceed to hearing on the merits of our application on November 10, 2020 for a variety of material reasons. Despite this fact, we have nevertheless been directed by the City to provide mailed notice for that date. We have worked tirelessly to prepare 2,188 mailed notices to all property owners within 500 feet of the subject property and to the property owners within the Eastern Shores community, including those properties located on the streets connecting to NE 35th Avenue, and have complied with the City’s directive. Enclosed herewith, please find the certification letter, ownership list, and radius map.

The Applicant’s compliance with the City’s notice directive does not constitute our waiver, acquiescence, or agreement to appear before the City on November 10, 2020 for a vote on our project. We are not prepared to do so and prejudice will arise if the City forces us to do so. We seek to avoid that result.

We must also most politely observe that our project has become an election issue. The election is scheduled to occur on November 3, 2020 with a run-off election, as necessary, scheduled to occur on November 17, 2020. To ensure that we are able to present our application free from influence by election cycle politics, we request that the matter be opened and continued until a mutually agreed-upon date in December. To force us to hearing at the apex of the political season is to deny us the right to the fair hearing we deserve.

If you have any questions or require any additional information, please do not hesitate to call me at (305) 789-7642.

Respectfully submitted,

Virtual Public Hearing/Meeting Findings

The City finds that it is necessary to hold a virtual public hearing due to the CDC's guidance and government orders related to COVID-19/novel coronavirus. Specifically:

- Pursuant to Governor DeSantis' Executive Orders 20-51 and 20-52, as extended by Executive Orders 20-114, 20-166, amended by Executive Order 20-192, and as last extended by Executive Order 20-213, in which the Governor declared a public health emergency and a state of emergency, there is a recommendation to limit public gatherings.
- On March 20, 2020, Governor DeSantis issued Executive Order 20-69, as amended by Executive Orders 20-179, 20-193, and 20-246, suspending the quorum requirements for public meetings held by a local government body, and the requirement that a local government body must meet at a specific public place.
- Consistent with the authority contained in the Governor's Executive Orders, and in order to ensure the health, safety, and welfare of the public and City employees, the City finds that it is in the best interest of the City to hold a virtual public meeting.
- Therefore, the City will hold a virtual meeting or hearing through the use of electronic communication.
