

Background

Pursuant to the provisions of Section 5.3 of the Agreement, the City of North Miami Beach, by and through its City Commission, sent a notice on August 6, 2020, to terminate the NMB Water Operations, Management and Program Management Services dated May 22, 2017 (the "Agreement") for convenience.

Subsequently, the City of North Miami Beach has initiated phase one of the transition to be begin on November 16, 2020, whereas the City takes full ownership of the Customer Service department, Procurement of Chemicals, Utilities, Facilities, and Ground Maintenance responsibilities.

Scope

The City of North Miami Beach desires to purchase (6) six Jacobs vehicles to perform field functions for the Customer Service department, including all upgrades installed and tools located in the vehicles.

Below for your review is the proposed price for the Customer Service vehicles.
